

5.5" x 4.25" NOTECARD
(add 1/8" bleed)

← Keep important material within safe zone →

FRONT

Include a layer above your design
layers with any instructions
for building your design (what's edit-
able, carousels, etc.)

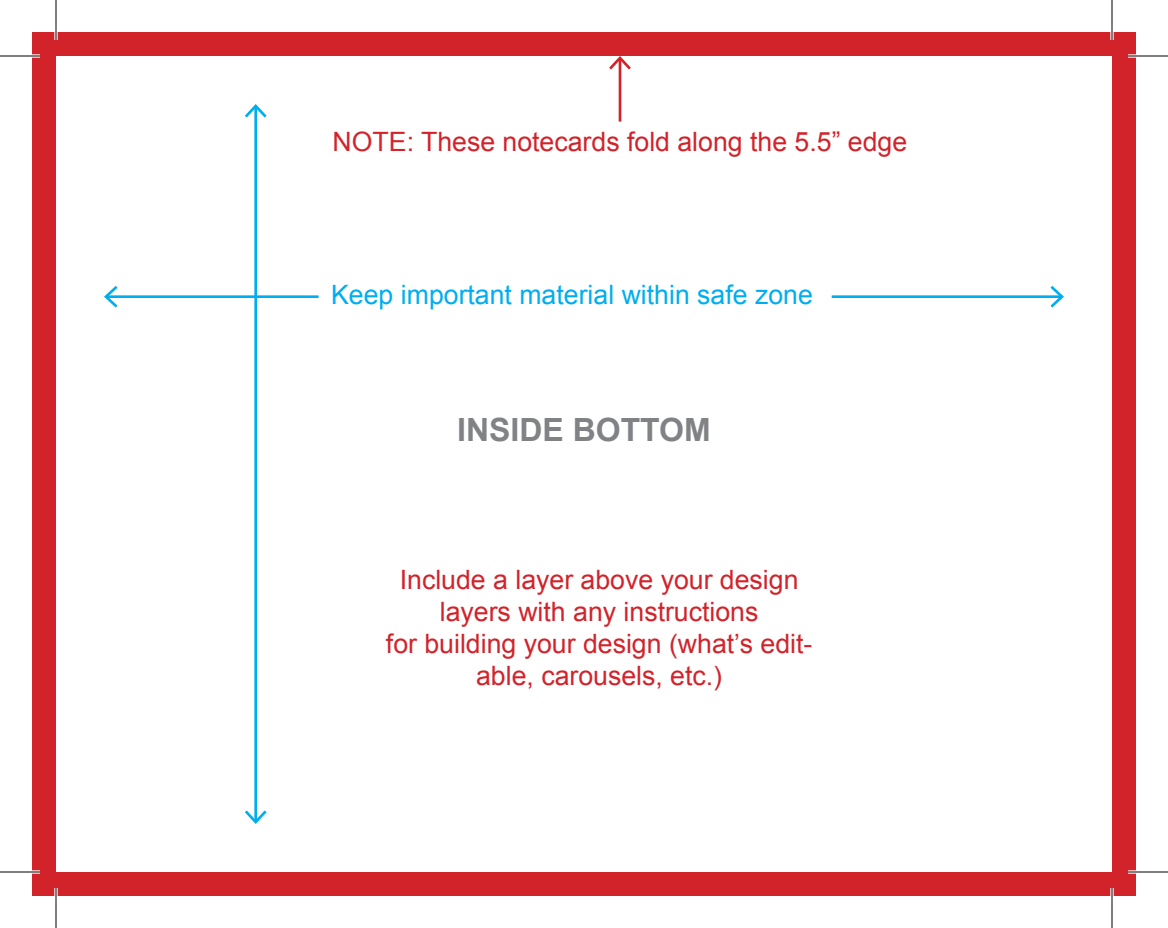

INSIDE TOP

Include a layer above your design layers with any instructions for building your design (what's editable, carousels, etc.)

NOTE: These notecards fold along the 5.5" edge

NOTE: These notecards fold along the 5.5" edge

The diagram shows a white rectangular area representing a notecard, enclosed by a thick red border. A red arrow points upwards from the top edge of the white area. A blue crosshair is centered on the white area, with a horizontal line and a vertical line intersecting at the center. The horizontal line has arrows at both ends pointing left and right, and the vertical line has arrows at both ends pointing up and down. The text 'Keep important material within safe zone' is written in blue along the horizontal line. The text 'INSIDE BOTTOM' is written in bold grey in the lower half of the white area. Below this, there is a paragraph of red text: 'Include a layer above your design layers with any instructions for building your design (what's editable, carousels, etc.)'.

Keep important material within safe zone

INSIDE BOTTOM

Include a layer above your design layers with any instructions for building your design (what's editable, carousels, etc.)

BACK

Include a layer above your design
layers with any instructions
for building your design (what's edit-
able, carousels, etc.)
